

ONE-TACH CONSTRUCTION & PROJECTS

ABOUT ONE-TACH

One-Tach Construction and Projects is a licensed general contractor based in Pretoria, South Africa, offering a wide range of construction services, including the building of log homes, Wendy houses, brick homes, paving, tiling, decking, thatching, and cupboard fittings, among others.

Over the past five years, we've expanded our reach beyond South Africa's borders, successfully completing projects in Zimbabwe, Zambia, and Swaziland.

Founded in 2008 by Mr. Patrick C. Msamba, One-Tach began as a small company facing the common challenges of financial constraints, securing dedicated team members, and establishing trust and reliability within the industry. Despite these hurdles, through vision, perseverance, and hard work, we overcame the barriers and built a reputation for quality and reliability.

Today, One-Tach Construction and Projects operates as a fully professional service provider.

We leverage our expertise, market knowledge, and a deep commitment to delivering exceptional value to our clients, ensuring each project reflects our dedication to quality and customer satisfaction.

ABOUT US

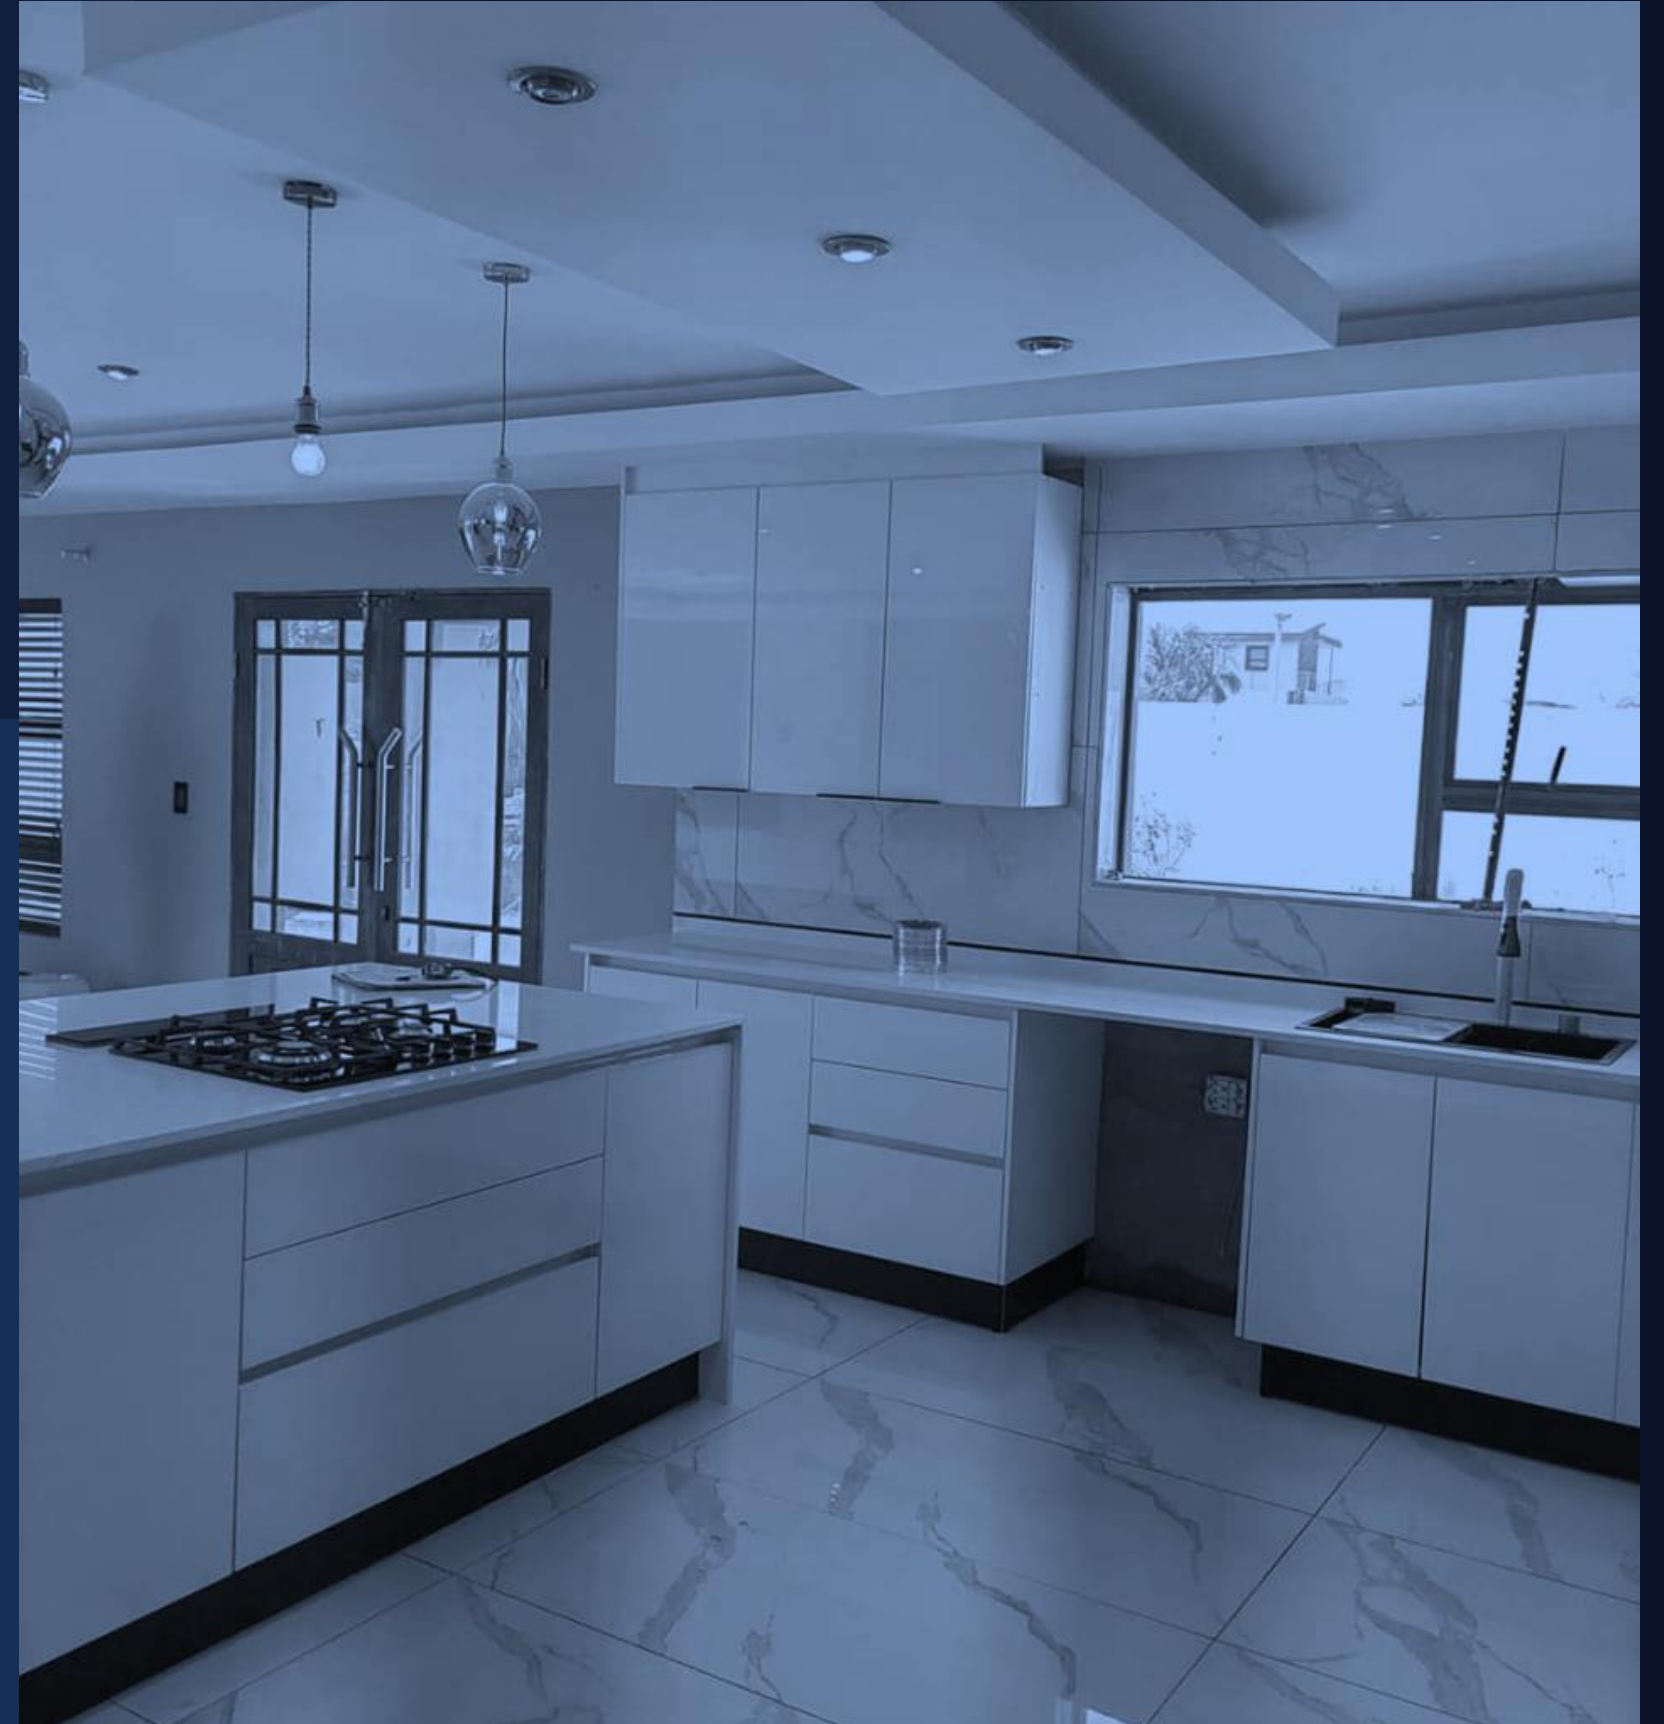

One-Tach is headquartered in Pretoria, with a presence across several other provinces in South Africa. Below is a list of provinces where we have successfully completed projects in the past and recently.

- ❖ Gauteng
- ❖ North West
- ❖ Free state
- ❖ Mpumalanga
- ❖ Western Cape
- ❖ Eastern Cape
- ❖ KwaZulu-Natal
- ❖ Limpopo
- ❖ Northern Cape

OUR VALUES

- ❖ Due-diligence
- ❖ Dedication
- ❖ Lateral leadership
- ❖ Transformation
- ❖ Innovation
- ❖ Integrity
- ❖ Performance

OUR VISION

To be the preferred contractor of choice.

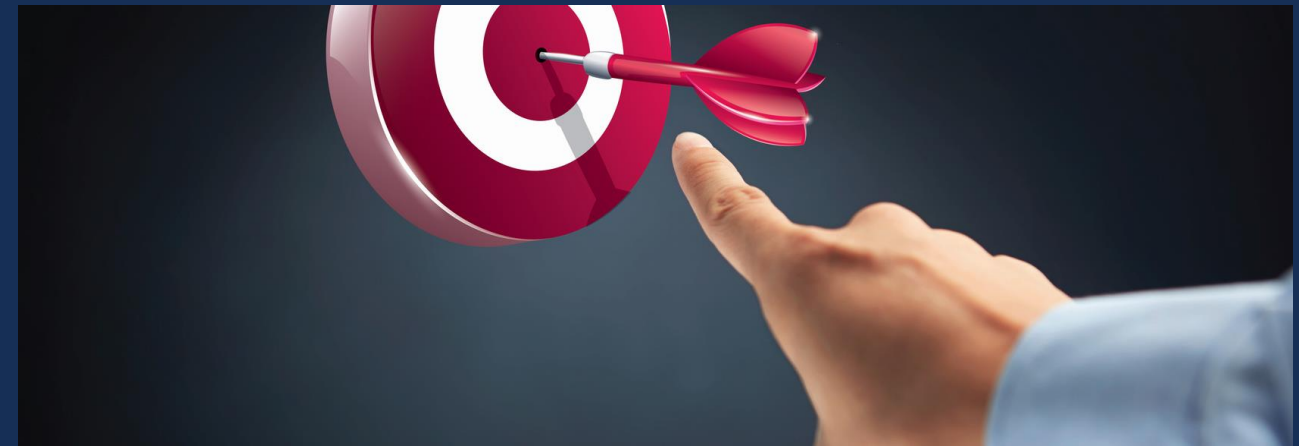

A company that our customers want to work with and our employees are proud to work for

OUR MISSION

01

To deliver exceptional workmanship and customer service while upholding the highest standards of professionalism, honesty, and fairness in our relationships with customers, employees, and vendors.

02

To achieve growth by consistently offering valuable products, services, and solutions to our existing markets, while expanding into new areas that leverage our core competencies and align with customer interests.

REGISTERED & COMPLIANT

OUR SERVICE

TIMBER / LOG HOMES

One-Tach Construction and Projects has years of experience building Wendy houses, log homes, guest houses, chalets, maiden cottages, office cabins, and more. We work directly with clients to create genuine, handcrafted, one-of-a-kind homes and office cabins, tailored specifically to your tastes, lifestyle, and budget. Our team possesses extensive experience and craftsmanship in traditional log building techniques, setting standards that others aspire to. We offer our clients a 25 year warranty and workmanship quality that lasts 50 to 100 years.

BRICK & MORTAR-HOMES

We have extensive experience in home building, restorations, and house extensions, with a proven track record of satisfied customers. Our primary focus is delivering quality, durable buildings with long-lasting value. Whether you have existing renovation plans or prefer our team to create new designs tailored to your budget and preferences, we are committed to ensuring your complete satisfaction.

OUR SERVICE

FLOORS / DECKING

❖ Timber Decking

We supply and fit both hard and softened wood decking boards to fit the surroundings, preference and budget. Timber decking offers a warm natural feel to any property or work place.

❖ Composite Decking

Composite decking is completely water- and rot-proof, made from a combination of wood and plastic.

PAVING INSTALLATION

One-Tach Construction and Projects offers high-quality new construction and replacement of paving, driveways, parking lots, sidewalks, and more.

OUR SERVICE

PLUMBING & ELECTRICAL WIRING

We offer a complete bathroom fitting service, including showers, bathtubs, and more, handling everything from small jobs to major renovations. Our service is unmatched in quality and expertise, covering tiling, plastering, flooring, and all electrical installations. Our in-house electrical team, consisting of highly skilled engineers, specializes in electrical installation and cabling, extending beyond bathrooms to cover both residential and commercial setups.

CUPBOARDS & INTERIOR FITTING

We can build and customize your kitchen, bedroom, or office to suit your design preferences and lifestyle needs, adding value and space to your home, business, or rental property. If you don't have a design in mind or want something unique, our team will assist you in creating your dream renovation with a tailored solution. We specialize in manufacturing custom-built spaces, from budget-friendly kitchens to high-end kitchens with marble benchtops.

OUR SERVICE

TILING

We specialize in tiling floors, walls, conservatories, kitchens, bathrooms, shower rooms, pools, and terraces, and also offer plaster boarding services for a flawless finish. Our expertise includes:

- ❖ Porcelain
- ❖ Ceramics
- ❖ Granite
- ❖ Marble & Mosaic's

SOLAR INSTALLATIONS

Solar energy for residences is a hot topic, and rightfully so. The amount of solar connected to the electric grid has grown exponentially in the past several years, With more households generating their own power with solar energy.

OUR SERVICE

NUTEC HOMES

Nutec is a fibre board made by combining cement and fibres, creating a durable, yet strong material that can be effectively used for building. The mixture is compressed and sheeted to create boards useful for cladding whereby replacing the traditional wooden boards used in Sheds and Wendy housing. The beauty in Nutec cladding is in its low maintenance and longevity. Nutec complies with the SABS standards and is used for cladding of outside buildings.

MODERN SMART CEILINGS

The ceiling can be made from various materials such as plaster, drywall, wood, metal, tiles, or acoustic panels. The choice of material depends on several factors such as aesthetics, acoustics, fire resistance, moisture resistance, durability, and cost.

- ❖ Exposed Ceilings
- ❖ Tightly attached ceiling
- ❖ Interstitial ceilings
- ❖ Acoustical Ceilings
- ❖ Convective Chilled Ceilings
- ❖ Suspended Ceilings

OUR SERVICE

CUPBOARDS / CABINET FITTINGS

Cabinets are an aspect of interior design that combines functionality and style. Whether you prefer a modern space or a more classic one, quality cabinet fittings can help you achieve it, whether that's in your kitchen, bathrooms or any other space. Our collection of hardware includes cabinet handles, finger pulls, cupboard catches, knobs and bars, that are designed for cabinet doors and drawers of all types.

EPOXY FLOORING

When it comes to home improvement, epoxy flooring is one of the best investments you can make. This specialized synthetic resin system is applied over concrete substrates, providing both decorative appeal and durable protection. Not only does it add value to your home, but it also makes maintenance easier by simplifying cleaning.

OUR SERVICE

PAINTING

A well-executed painting solution can transform your home or business, creating an inviting atmosphere with smooth, vibrant colors and a professional finish that is sure to impress. We take pride in both our residential and commercial painting projects, always striving to deliver a flawless finish in every room we work on. Quality products, expert workmanship, and meticulous attention to detail are key to achieving the exceptional results our clients expect.

THATCHED LAPAS

Installation of new thatch roofs for both residential and commercial properties. Our professional team works with you to create a custom thatch roof design that complements your property while ensuring durability and aesthetic beauty.

- ❖ **Quality Materials:** We use only the finest natural and synthetic thatch materials to provide a robust and long-lasting roof.
- ❖ **Tailored to Your Needs:** Whether you're building a traditional thatch roof for your home or a modern, eco-friendly design for a commercial property, our solutions are tailored to your unique needs and budget.
- ❖ **Expert Installation:** Our thatching specialists ensure your roof is built to the highest standards of quality and craftsmanship, providing you with peace of mind for years to come.

OUR SERVICE

LANDSCAPING

Consider us for essential aspect of construction that involves designing, installing, and maintaining outdoor spaces to enhance their aesthetic appeal. It involves creating beautiful and functional outdoor spaces that reflect the client's preferences and complement the surrounding environment.

3D HOUSE PLANS

A three-dimensional floor plan is a realistic 3D image that shows a top view. It can show not only walls and floors but also an example of the arrangement of furniture, decor, and appliances. Such images provide as much information as 2D floor plans and photos combined.
